Photographic Image Consent Form

Please complete, sign and return the form. If consents are not returned it will be assumed that consent is not given for your child's photo to be used in any capacity, including school photographs.

During the school year there are likely to be opportunities to publicise school activities which may involve the use of an image of your child. This could be a photograph, video/DVD or website image.

It is a requirement of the Data Protection Act 2018 that the school has your consent to this.

For more information on this please visit the informative link below;

<https://ico.org.uk/for-organisations/data-protection-act-2018/>

The school has adopted certain safeguards in order to minimise any risk to your child:

- Gretton School will avoid the publication of your child's full name with any image on any school material; including social media and website.
- Only appropriate images will be taken.
- Images will be kept securely and destroyed after their required time.
- Any external photographer will have the validity of their organisation checked.
- Appropriate levels of supervision will be undertaken at all times.

Please note that the school does not have control of how images taken by the media are published or shared.

The school has no control over how the photos included in Newsletters or on displays up and around the school are shared; nor who may or may not see these photos.

This consent will remain in place during the entirety of your child's time at Gretton. If you wish to change the consents to any of the options below then please put your request in writing to info@grettonschool.com.

If you have any further queries regarding this consent form please contact our Marketing Administrator, Miss Rebecca Smith, via email; info@grettonschool.com or by phone 01223 277438.

Where Parental Responsibility is shared, consent will be accepted from the primary carer.
